Hi,

Attached is the layouts for the interior windows and exterior doors.

The gold used will be the gold we talked about with the steel blue outlines, the exception being the P.D. window which will be gold & black.

We added the bridge photo to match the other signs and fill the gap between the arc and the straight lettering below.

The blue arrows were also used on the building inspectors sign that hangs in the village hall.

We did not get a good photo of the exterior doors that is why we're not showing the lettering on a photo, sorry.

The cost for all of the areas will be \$280.75.

Let us know what you think or if you need any changes.

Thank you,
Brad
