I. Call to Order

II. Roll Call

Present: George Vlach, Matt Stanek, Jim D'Alessandro

Also Present: Trustee Wright, Umans, Administrator Tobin, Treasurer Peternell, Director of Public Works Edwards, Engineer Snyder, John Sherrier; 119 Conference Point Rd, Jon & Patty Clare; 131 Conference Point Rd

III. 119 Conference Point

Snyder provided the history regarding the on-going issues regarding 119 Conference Point Rd. Snyder stated the homeowner at 113 Conference Point filed a complaint that the grading and removal of (2) trees from the approved plan has not been completed. Discussion was held regarding the (2) trees that were not on the approved plan. Sherrier stated that the topography that was submitted with the plan was incorrect by not having them included; it was not the intent that the trees were to be removed. Sherrier stated the he will remove the (2) trees and regrade according to the approved plan.

It was the consensus of the Committee to set a deadline of January 11, 2023 to have the trees and regrading complete. Any fees moving forward from the Village Engineer need to be paid by the property owner. The Committee will discuss the previous fees incurred to date at the next Committee meeting.

IV. Adjourn

The motion to adjourn was initiated by Jim D'Alessandro and seconded by George Vlach at 6:27pm. Unanimously carried.
